To,

The President, Treasurer, and Secretary,
Bhongle Charitable Foundation, Nagpur.

Subject: Letter of Appreciation for the 'Mega Scientific Plantation Drive 2026'

It gives me immense pleasure to place on record my deepest appreciation for the Bhongle Charitable Foundation (BCF) for successfully organizing the 'Mega Scientific Plantation Drive' on 21st August 2026.

As the Mayor of Nagpur, I am highly impressed by your organization's active and robust support of the NMC's '4-Lakh Green Nagpur' vision. What sets BCF apart is your highly structured, data-driven approach to environmental conservation. The initiative to scientifically number and tag 100 indigenous saplings, combined with securing a legally binding 3-year survival and maintenance pledge from the participating institutions, is a benchmark for accountability in urban forestry.

The flawless execution, modern AI-audio protocol, and the dedication shown by Dr. Yash Bhongle, Dr. Shaligram Bhongle, and Dr. Priti Bhongle and are truly commendable. The Nagpur Municipal Corporation wishes the Bhongle Charitable Foundation the very best in all its future social and environmental endeavors.

Mayor

Nagpur Municipal Corporation
